

**Just roll in,  
shower,  
and roll back out!**

## **Introducing The FAWSSit Fold Away Wheelchair Shower**

Patent Number 7,231,673. B1

**A Veteran's answer to hygiene needs**

**A great solution for wheelchair or shower chair bathing needs after sustaining an amputation, stroke, head or spinal cord injury, or any physical condition that poses a hygiene challenge. Decreases incidence of skin infections and UTI's. Promotes circulation and muscle relaxation, and works well for critical body temperature control.**

**CCR#44HF8**

***The FAWSSit is a portable, self-contained shower, complete with shower head, drain pan and pump to remove waste water.***

***Comes fully assembled, no need for tools or special wheelchairs!***

***Can be set up anywhere there is access to warm water and an electrical outlet***

- Safe for patient and caregiver, no need for transfer devices
- No need to lift a person into a shower or tub
- Perfect for rental units – no need to remodel

**Winner of the  
Innovation award  
Medtrade®, 2005  
Atlanta**
